General Policies: Classified Advertising

Effective October 1, 2018

- A.** All local classified advertising rates are non-commissionable. National classified advertising rates are commissionable. A 15% agency commission is available to recognized advertising agencies placing national rate classified advertising.
- B.** The Register-Guard will not accept advertising that (a) refers to names of competing businesses, or (b) compares prices of competitors' products and services, or (c) refers to specific brand-name products that are sold by local competitors and are not sold by the advertiser.
- C.** To be productive, advertising copy must be clear and understandable. All words, with the exception of approved abbreviations, will be spelled out. No advertising with direct or indirect estimates of earnings will be accepted unless verified and the copy so states.
- D.** The publisher reserves the right to edit, revise or reject any advertising at any time. The publisher may terminate any advertising agreement with advertiser, and seek any other remedies permitted by law. Advertiser agrees to indemnify the publisher for all expenses incurred in connection with collection of amounts payable under such agreements, including court costs and attorney fees. If such agreement is terminated under this provision, the publisher may rebill advertiser for the unpaid balance at the applicable rate.
- E.** Pre-pay with order unless credit established.
- F.** Alcoholic beverage and tobacco advertising accepted.
- G.** Advertisements designed to resemble a news article must state "Advertisement" (10 point type or larger) centered at the top of the ad, must set headlines and text in sans serif typeface, and must be enclosed with a border. Advertisements with bylines or datelines are not accepted.
- H.** 30-day notice given of any rate revision. Upon notification, advertiser may terminate any agreement affected by the revision by giving written notice to The Register-Guard before the effective date of the revision.
- I.** Payment is due within 25 days of the billing date indicated on the publisher's statement. If payment is not so made by the 30th, a late charge of 1.5% per month shall be assessed on the unpaid balance.
- J.** If advertiser uses an agency to place advertising with the publisher, advertiser and its agency shall be jointly and severally liable for payment of all amounts due to publisher under any advertising agreement and for compliance with all terms of such agreement.
- K.** It is the advertiser's responsibility for checking the advertisements for corrections. The Register-Guard will be responsible for only the portion of the ad that published in error or one incorrect insertion. Advertiser shall notify the publisher of any error in time for correction before the second insertion. The publisher's liability for error shall not exceed that portion of the first insertion of the total advertisement occupied by the copy in error. Alternatively, upon advertiser's request, publisher agrees to run corrective advertising for any portion of the first insertion of advertising which has been rendered valueless by the publisher's error. Except as provided above, the publisher shall be under no liability for loss to advertiser as a result of the publisher's error or omission in advertising copy. Claims for errors must be made within 1 day following publication.
- L.** Advertiser assumes full liability for its advertising and agrees to indemnify and hold harmless the publisher from all claims, costs and expenses arising by reason of any advertising.
- M.** All advertising copy which represents the creative effort of the publisher, the utilization of creativity, illustrations, labor, composition or material furnished by the publisher, shall be and remain the property of the publisher, including all rights of copyright therein. Advertiser understands and agrees that photographic or other reproductions, in whole or in part, of any such advertising copy for use in any other medium cannot be authorized by advertiser without the expressed written consent of the publisher.
- N.** Neither party to this agreement shall be held liable for failure to perform as the result of fire, flood, strike, accident, acts of God, or other reasons beyond their control. Under such circumstances, either party shall have the right to terminate this agreement without penalty. However, nothing in this paragraph shall excuse advertiser from its obligation to pay for advertising published by the publisher.
- O.** If any taxes are imposed on the printing of advertising material or the sale of advertising space subject to this rate card, such taxes shall be assumed and paid by advertiser. If any such tax is required by law to be paid by the publisher, the amount thereof will be reimbursed to the publisher by advertiser within 30 days from the publisher's billing date therefore.
- P.** Any requirement of a contract advertising agreement that written notice be given by one party to the other may be met by sending the notice by first-class mail, properly addressed and with full postage prepaid, to the party to be notified. Notice so given shall be effective as of the date of mailing. Any new contract will begin only after receipt in the business office.
- Q.** All positions of ads are at the option of the publisher and no adjustment or refunds will be made because of position.
- R.** Cancellations received after 12:00 p.m. two business days prior to publication are subject to a charge of 50% of the cost of the canceled advertisement, including space and color. Business days are defined as Monday through Friday, excluding holidays.
